-----  
FUR FARMS OF ALASKA

(In operation March 31, 1924)

The following list of fur farms in operation in Alaska is prepared for the information of correspondents and of those engaged in fur farming. The Department assumes no responsibility for the integrity of the firms or individuals listed. Persons having knowledge of errors, omissions, or changes in name, or knowing of farms established since March 31, 1924, will assist in making future lists more complete and accurate if they will report such facts to the Office of the Biological Survey, Juneau, Alaska.
